

GENERAL GUIDELINES

1. As theory is introduced for discussion in a simple but progressive way, it is expected that Learners will always have knowledge of theory for any **previous** grades. Therefore Examiners may, on occasions, ask questions about theory relating to previous grades.
2. **Costume, make up and props** are not necessary in any of our Examinations, but, for acting, Learners may wear:
 - appropriate footwear
 - a practice skirt
 - a shawl or hat
3. Learners may use **hand props** such as:
 - a fan
 - a bag
 - an umbrella
 - a walking stick
4. The use of **visual aids** in a presentation for an examination such as Public Speaking or Interview Technique is perfectly acceptable. It is important that these aids **enhance** rather than **detract** from the talk.
5. For Grade 5, 6, 7 and 8 Interview Technique, Teachers must submit the Learner's C.V with entry.
6. Details of NEA's Marking Standards, Learning Objectives and use of Key Skills are all clearly set out on the website, www.neweraacademy.co.uk.
7. Any queries regarding the actual selections should be referred to the Examinations Director.
